

**COVID-19**  
**UPDATE**  
**MASK**  
**MANDATE**  
**LIFTED**

**Effective 5/28/21 the  
mask mandate has  
been lifted in NJ per  
Governor Murphy.**

**We understand that  
some people are  
excited about this,  
while some may still  
feel cautious.**

# UPDATES PER THE NEW ORDER

**Per the Governor's  
order, fully vaccinated  
individuals are no  
longer required to  
wear a mask.**

**We will respect and  
honor each person's  
individual choice  
without judgement.**

# PRIVATE INFORMATION

**Rezkom will not ask our employees or clients to disclose their personal health information.**

**We also will not share our employee's personal health choices with our clients.**

**We respect each person's choices and ask that everyone extend the same courtesy as we continue to navigate these changes.**

# EXCEPTIONS THAT MAY APPLY

**Our clients at individual communities have the right to enforce their own policies and rules regarding mask wearing while on their property.**

**If they choose to continue to require a mask in order to grant entry to their offices, clubhouses, or other public buildings we need to comply accordingly.**

**Is anything  
staying the  
same?**

**Yes.**

**We will continue to  
follow sanitation  
protocols.**

**We will also  
continue to require  
that employees  
notify their  
supervisor if they  
are exhibiting any  
COVID-19 related  
symptoms before  
reporting to work.**
